**Review Town Warrant for Special Town Meeting**

After a short discussion on the three items listed on the warrant, the discussion focused on the bridge. Manager Fisher informed the Board that the written estimate should be available from the engineer before the end of the meeting. Seth Snowman spoke about the importance of including the cost estimate for voting purposes and there was general agreement that a not to exceed amount would allow the project to move forward without further delays, if passed by the citizens.

Motion by Hiram Weymouth, seconded by Tammy Crocker to approve the Town Warrant prepared by the Town Manager to include a statement on the Webb Ridge Road bridge that construction costs are "not to exceed 1.4 million dollars." Any amount over 1.4 million will require further citizen approval. All in Favor.
